Joshua: Strength and Courage

Stones of Memory

Joshua 4:1-5:1

God in His grace toward us, gave us the ability to remember. We retain all types of memories: dates, first car, first job, family, vacations, etc. Memory is also a spiritual discipline. God calls believers to remember Him. This includes His perfections, His activity, and simply who He is. Physical and mental memorials aid our ability to remember all that God has done for us.
